

**RAYMOND WALTERS COLLEGE
STUDY ABROAD PROGRAM
FACULTY RECOMMENDATION FORM: 2009**

_____ (student name) was a student in my course _____ during (fall) (winter) (spring) (summer) term in _____ (year). I understand the unique academic and personal challenges as students travel, study, and live in close quarters with other students in an RWC study abroad program, and in my experience, this student exhibits both the academic capabilities (at least C level work) and responsible behavior in group settings that should lead to successful performance in the program.

I recommend this student for participation in the 2009 Raymond Walters College Study Abroad Program in (circle all that apply) China; Costa Rica; England.
